

CERTIFICATE OF APPRECIATION

This certifies that **DR. TRUONG-SON HY** recognized and sincerely appreciated for their outstanding service in coordinating and supporting the Alabama High School Programming Contest held on 09/26/2026 at the University of Alabama at Birmingham. Your collective dedication, meticulous planning, and seamless execution were instrumental to the success of this event. The commitment and collaborative efforts displayed by the committee ensured a well-organized, smooth, and impactful experience for all involved. On behalf of the UAB Computer Science Department, we extend our heartfelt gratitude and commend you for your exceptional contributions to this event's success.

Sha (Stan) Lai, PhD

Computer Science Department
